Other Giving Commitments with the PC(USA)**Missionary Support**

Gifts from individuals, combined with Basic Mission Support funds from congregations, enable Presbyterian mission personnel to work in approximately 50 countries. As church wide mission funding continues to change, we cannot keep dedicated mission workers in service unless Presbyterians support us with gifts over and above their congregational giving. Presbyterian World Mission will send as many mission workers as the church will support. Your financial gift blesses our sisters and brothers in countries all across the globe by expanding World Mission's capacity to respond to urgent requests for mission personnel.

Compassion, Peace and Justice

This gift will help Compassion, Peace and Justice to respond to the needs of the world's most vulnerable people, address injustice in all areas of life and advocate for peaceful solutions to conflict.

1001 New Worshipping Communities

This fund is established in response to the Presbyterian Mission Agency (PMA) recommendation to the 2012 GA that states: The GA, in gratitude and response to God for the movement of the Holy Spirit in this time and place: Declare a church wide commitment to ignite a movement that results in the creation of 1001 new worshipping communities in the next ten years; Encourage each GA agency to join in fulfilling this movement; and Encourage each session and mid-council to pray for the fulfillment of God's purpose within this movement and discern and pursue ways to participate in this movement.

Presbyterian Disaster Assistance

Supplements the OGHS offering and enables members and congregations to make general designations to use funds where they are most needed as determined by PDA.

Presbyterian Hunger Program

Your financial support enables the Presbyterian Hunger Program (PHP) to witness to the healing love of Christ and to bring hope to communities and individuals struggling with hunger. Your gifts to the Presbyterian Hunger Fund help to end hunger worldwide.

Young Adult Volunteer (YAV) Program

Young Adult Volunteers experience a year of developing Christian community through spiritual formation, mission service, and mission learning. Funds are used for programmatic support and to directly support volunteers with stipends, health insurance, student loan grants, housing, food allowance, travel and training.
